About Farmers Market Fund

Farmers Market Fund (FMF) makes healthy, locally grown food accessible to underserved Oregonians.

Founded in 2009, FMF was incorporated as a 501(c)3 in 2012. FMF's primary focus is Double Up Food Bucks (DUFb), a program that doubles Supplemental Nutrition Assistance Program (SNAP) benefits at farmers markets across Oregon and allows shoppers to bring home twice as much farm-fresh produce. DUFb helps families purchase more fruits and vegetables, gives small farmers an economic boost, and keeps more money in the local economy. In 2021, FMF supported Double Up programs at 63 markets in 21 Oregon counties. This season, we've distributed more than \$625,000 of DUFb and facilitated \$1.5 Million in SNAP transactions at participating farmers markets! FMF also works in close partnership with a coalition of other organizations dedicated to ending hunger and supporting farmers: each year, we provide grant funds to them so that they can implement DUFb at other types of outlets like CSAs and grocery stores.

Since 2020 the Double Up Food Bucks program has expanded dramatically. FMF is hiring its first Program Manager to support its growth. This is an exciting opportunity to join a growing organization, and help shape the program as it enters the next phase of Double Up Food Bucks Oregon. In 2022, FMF looks forward to reducing barriers to participation in DUFB, strengthening community partnerships, and continuing to center the feedback of SNAP participants.

Working at FMF

We strive to create a flexible workplace that reflects the communities we serve, and where everybody feels comfortable bringing their full, authentic selves to work. We offer a flexible work environment, with a balance of time working at home and out in the community. FMF staff have access to a workspace co-located within the Portland Farmers Market office in inner NE Portland, as well as the opportunity to work fully remote. In addition to two staff, FMF has an active and engaged board of directors located across Oregon. We currently conduct the majority of our meetings remotely, but look forward to resuming in-person meetings when it is safe to do so.

We recognize that an equitable food system cannot exist within an inequitable society. As a direct result of centuries of structural racism, Black, Indigenous, and People of Color living in Oregon perpetually experience the highest levels of hunger. FMF centers anti-racism, racial equity, and inclusion in its programs, operations, culture, and advocacy. We strive to create and support an equitable and just food system that nourishes all Oregonians.

Position Overview

The FMF Program Manager works under the direction of the FMF Executive Director to manage the statewide Double Up Food Bucks (DUFB) SNAP matching program, with a specific focus on management of the State and federal grants. The Program Manager will work with farmers markets and other partners across Oregon to establish, promote, implement, and evaluate the DUFB program. In collaboration with the Executive Director, the Program Manager will also address barriers to participation in DUFB, and strengthen relationships with underrepresented communities. The Program Manager will also assist with other essential functions at FMF, including fundraising, marketing, and communications.

This full time position will be 40 hours / week, and will begin in mid-January 2022. The majority of the work will happen between the hours of 9 am - 5 pm, with occasional evening meetings. Due to the nature of the work, the vast majority of meetings and work activities take place remotely. The role will also require visits to farmers markets across Oregon in summer 2022, and occasional in-person meetings. Because this program is deeply rooted in Oregon, the Program Manager must live within the state of Oregon.

Out of respect for the communities who participate in DUFB, Farmers Market Fund will require COVID-19 vaccination for all staff starting January 1, 2022.
